

I have been listening to K-LOVE radio for several years. K-LOVE provides music that is positive and words that are encouraging to me. I never have to be afraid of what my children will hear when they are listening to K-LOVE. It is always family oriented programming. I know that there are many listeners in my community that would dearly miss K-LOVE if it was displaced by an LPFM broadcaster providing other programming. There is no other station in my local area that provides such family-friendly programming with no commercial interruptions. K-LOVE offers words of encouragement, joy, and hope and music that has no objectionable lyrics in a format that I have not found on any other station. K-LOVE offers the public an alternative to the bad language and content that are so prevalent on many other stations. In this day and age when it is becoming more and more difficult to find any kind of entertainment that is family oriented and unobjectionable, K-LOVE provides a service that is in the best interest of the public.
